

ATTEND school today,
ACHIEVE in life tomorrow

FACT:

On average, a high school graduate will earn \$1,000,000 more than a dropout over their lifetime!

Meet Victoria...

Victoria developed good attendance habits at an early age. By the end of **third grade**, she was able to read and write well.

In **middle school**, Victoria continued to thrive, passing important courses that prepared her for high school.

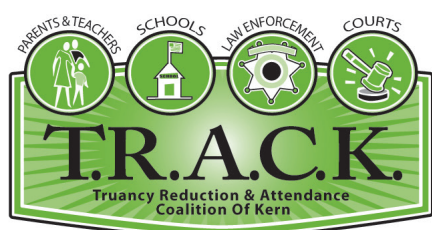

Victoria stayed on track during **high school** and graduated on time with her sights set on a career in the medical field.

Today, Victoria has a **career** as a medical assistant. She now instills the benefits of school attendance in her own children.

Give your children their best chance for success
– ensure they're in school **ALL DAY, EVERY DAY**
