

WE WANT YOU TO TEACH!

Prospective Teacher Information Sessions & University Fair

Kids want you – yes, *YOU* – to teach!

If you've ever wanted to impact the lives of children, **KCSOS's Teacher Development Program** can help you reach that goal.

Our Prospective Teacher Information Sessions are designed to bring more candidates into our local university teacher credentialing programs and give second career candidates, bachelor's degree holders and college students a one-stop shop to learn about earning a teaching credential and be linked to resources to assist them on their pathway to teaching.
