

HUMAN TRAFFICKING 101 & *JUST ASK* CURRICULUM Training

9:00AM - 3:00PM

Human Trafficking 101 is a foundational course that provides an overview of human trafficking, including the different forms such as sex and labor trafficking. Participants learn about who is most at risk, how traffickers operate, and the common signs of exploitation. The course is designed to raise awareness and empower action in alignment with AB 1227 and ED Code 51950.

Just Ask curriculum was developed using actual case examples designed to be adaptable to meet the diverse needs of schools and professional organizations.

- A self-sustaining comprehensive program with the intent to educate, prevent, and intervene.
- Equips teachers with a thorough understanding of human trafficking so they can educate their students effectively.
- Provides students with information that they can apply to safeguard themselves and their peers.
- Information regarding exploitation, abuse, sexual violence, online safety and healthy relationships.
