

COMPREHENSIVE SCHOOL SAFETY PLAN

JANUARY 20TH, 2027 | 8:30 AM - 3:00 PM

This workshop walks school teams through updating and developing a compliant Comprehensive School Safety Plan. Participants will learn the required components, timelines, and collaboration steps—including public hearings and agency partnerships—to ensure plans are current, practical, and aligned with state law.

Ideal for district and site administrators, school site councils, and safety committee members.
