

KNOWING THE SIGNS: DRUG & GANG IDENTIFICATION, AND SEARCH & SEIZURE

Knowing the Signs: Drug, Gang, and Search & Seizure provides educators and school safety personnel with practical information for recognizing current drug and gang-related indicators and responding appropriately within a school setting.

Participants will examine current trends, documentation and intervention practices, applicable California Education Code provisions, and the legal principles governing reasonable suspicion and student searches.

Through guidance from law enforcement and legal professionals, participants will strengthen their ability to make safe, lawful, and informed decisions on campus.
