Credential Information Alert

DATE: February 13, 2014

NUMBER: 14-05

SUBJECT: Prospective Substitute Permits

Summary:

It has come to the Commission's attention that clarification is needed regarding the 90 semester unit requirement to qualify for a Prospective Substitute Permit. This Credential Information Alert (CIA) addresses only the Prospective Substitute Permit and no other emergency permits.

Key Provisions:

The 90 semester units required for the Prospective Substitute Permit must be posted on the official transcript of a regionally accredited four-year California college or university and may include those transferred from other colleges or universities. This information was provided in CIA 08-16 which was distributed on October 2, 2008. A link to the CIA may be found in the References section. Clarification may be needed because of the manner in which the transferred units from another college or university are posted on official transcripts.

<i>ABC University:</i>	
<i>Prior Schools Attended</i>	<i>Credits Earned</i>
<i>HJ University</i>	<i>36.00</i>
<i>EFG Community College</i>	<i>42.00</i>
<i>ABC University</i>	<i>Credits Earned</i>
<i>U.S. History</i>	<i>4.00</i>
<i>Biological Science</i>	<i>4.00</i>
<i>Algebra</i>	<i>4.00</i>
<i>Total Cumulative Credits</i>	<i>12.00</i>

In the example above, the Commission cannot verify that the 78 semester units transferred are bachelor's degree applicable and accepted by ABC University since they are not included in the university cumulative total.

One requirement for the Prospective Substitute Permit is verification of current enrollment in California regionally accredited four-year university. An enrollment statement from the college's university's registrar may be accepted as verification for current enrollment.

If the official transcript does not provide a cumulative total of all coursework completed at all colleges and universities, an enrollment statement from the college or university's registrar may be accepted as verification for current enrollment. The enrollment statement must also include the name(s) of the college(s) or university(s), the number of accepted units transferred, and the number of cumulative units completed from all colleges or universities. If this information is provided in the enrollment statement, the Commission may accept a separate letter that verifies the required information on official letterhead from the college or university.

A link to the Prospective Substitute Permit Information leaflet may be found in the References section.

California School Employee Tuberculosis (TB) Risk Assessment Questionnaire

(for pre-K, K-12 schools and community college employees, volunteers and contractors)

- Use of this questionnaire is required by California Education Code sections 49406 and 87408.6, and Health and Safety Code sections 1597.055 and 121525-121555.^
- The purpose of this tool is to identify **adults** with infectious tuberculosis (TB) to prevent them from spreading disease.
- Do not repeat testing unless there are **new** risk factors since the last negative test.
- Do not treat for latent TB infection (LTBI) until active TB disease has been excluded:
For individuals with signs or symptoms of TB disease or abnormal chest x-ray consistent with TB disease, evaluate for active TB disease with a chest x-ray, symptom screen, and if indicated, sputum AFB smears, cultures and nucleic acid amplification testing. A negative tuberculin skin test (TST) or interferon gamma release assay (IGRA) does not rule out active TB disease.

Name of Person Assessed for TB Risk Factors: _____

Assessment Date: _____

Date of Birth: _____

History of Tuberculosis Disease or Infection (Check appropriate box below)

Yes

- If there is a **documented** history of positive TB test or TB disease, then a symptom review and chest x-ray (if none performed in the previous 6 months) should be performed at initial hire by a physician, physician assistant, or nurse practitioner. If the x-ray does not have evidence of TB, the person is no longer required to submit to a TB risk assessment or repeat chest x-rays.

No (Assess for Risk Factors for Tuberculosis using box below)

TB testing is recommended if any of the 3 boxes below are checked

One or more sign(s) or symptom(s) of TB disease

- TB symptoms include prolonged cough, coughing up blood, fever, night sweats, weight loss, or excessive fatigue.

Birth, travel, or residence in a country with an elevated TB rate for at least 1 month

- Includes countries **other than** the United States, Canada, Australia, New Zealand, or Western and North European countries.
- Interferon gamma release assay (IGRA) is preferred over tuberculin skin test (TST) for non-US-born persons.

Close contact to someone with infectious TB disease during lifetime

Treat for LTBI if TB test result is positive and active TB disease is ruled out

^The law requires that a health care provider administer this questionnaire. A health care provider, as defined for this purpose, is any organization, facility, institution or person licensed, certified or otherwise authorized or permitted by state law to deliver or furnish health services. KCSOS County-Wide Substitute Teacher Eligibility List Requirements

Instructions: Read each section, *initial* the box on the left, and sign page two, acknowledging that you understand the requirements listed *to qualify* as a County-Wide Substitute Teacher in Kern County.

Placement on the County-Wide Substitute Teacher Eligibility List

Placement on the Kern County Superintendent of Schools (KCSOS) County-Wide Substitute Teacher Eligibility List occurs each Friday, excluding holidays and the month of July. The list provides districts and KCSOS programs with the eligibility status of each substitute. It does **not** indicate or guarantee that you will be contacted to substitute teach. Each substitute is responsible for following the requirements below for placement and eligibility with each district or KCSOS program(s).

Requirements to be placed on a specific district(s) substitute list:

1. Contact the school district(s) of your choice.
2. Complete the application/interview process for each district.

Document Delays / Document Renewals

To view your application status, visit the Commission on Teacher Credentialing (CTC) at www.ctc.ca.gov, and follow these steps: 1) Select Educator Log-in; 2) Input your User ID and Password, and Click OK; 3) Click Next; 4) Click on Application tab.

Delays

Delays may occur for various reasons. One of the most common reasons is answering “**yes**” to any Professional Fitness question(s) on your application. When this occurs, the application is forwarded to CTC’s Division of Professional Practices (DPP) for further review.

An application reflecting “Pending Additional Evaluation” longer than 90 days requires you to contact the DPP for a status update at dppinfo@ctc.ca.gov. Include your full name and date of birth in the email. Visit the Credentials Office with the DPP’s written response.

Renewals

Permit and credential renewals are the responsibility of each substitute. If your permit/credential will not be granted **before** it expires, it is your responsibility to provide proof of renewal payment, and visit the KCSOS Credentials Office to be issued a TCC.

If your permit/credential expires and then renew your document, you need to contact the KCSOS Credentials Office to request reinstatement on the County-Wide Substitute

Failure to renew will jeopardize release of your pay warrant or direct deposit. You cannot be paid for days worked without proper certification per Education Code Section 45034:

Education Code Section 45034 - No order for a warrant, and no warrant drawn pursuant to Section 42647, shall be drawn in favor of any person employed in a position requiring certification qualifications, unless such person is at the time the holder of a proper certification document in full force for the full time for which the requisition or warrant, as the case may be, is drawn, and on file or registered as required by law at the time and unless he is employed by the governing board of the unified school district, or district with over 10,000 average daily attendance or by the county superintendent of schools as provided in this code.

Personal Information Updates

Each substitute is responsible for updating his or her personal information with the KCSOS Credentials Office. This includes mailing address, email address, phone number, or name changes.

As a documentholder authorized to work with children, it is part of my professional and ethical duty to report every instance of child abuse or neglect known or suspected to have occurred to a child with whom I have professional contact.

I understand that I must report immediately, or as soon as practicably possible, by telephone to a law enforcement agency or a child protective agency, and will send a written report and any evidence relating to the incident within 36 hours of becoming aware of the abuse or neglect of the child.

I understand that reporting the information regarding a case of possible child abuse or neglect to an employer, supervisor, school principal, school counselor, coworker, or other person is not a substitute for making a mandated report to a law enforcement agency or a child protective agency.

TWENTY-FIVE TIPS FOR SUBSTITUTE TEACHERS

1. Arrive at school early to survey lesson plans, locate materials, review fire and earthquake instructions, and meet a few teachers.
2. Look over the seating chart and zero in on a few names so that you can establish a rapport immediately.
3. Ask questions – regular staff members will be glad to help.
4. Be confident, concise and firm. Your first words and actions go a long way toward setting the tone of the day.
5. Follow the regular teacher's lesson plans and discipline system to the best of your ability.
6. Speak softly and wait until all the students are listening before giving instructions.
7. Deal with the individual, not the group, when discipline problems occur. Be firm and stay in control of the situation. Request help if needed.
8. Have your own simple discipline and reward system in case you can't figure out the classroom's behavior management system.
9. Avoid commanding and threatening. Solicit cooperation. You are on the same team.
10. Compliment the students on class displays, behavior, enthusiasm, etc.
11. Circulate as students are working. Make positive comments and/or put various colored pluses on their papers (i.e. green for a proper heading, red for working quietly, and blue for having solved a problem correctly).
12. Listen to the students and be observant.
13. Allow students to help you with daily routines – involve the students. When appropriate, help students check their own work.
14. Bail out of a lesson that is failing. Move on to something you are comfortable with or review.
15. Have a story, game or other activity prepared in case you finish lessons early.
16. Have generic lessons that can be used at a variety of grade levels just in case a blank spot occurs.
17. Avoid assigning "busy work."
18. Never leave the class unattended.
19. Grade papers that can easily be checked.
20. Do not dismiss students early.
21. Dismiss students in an orderly fashion, one group at a time.
22. Be respectful of classroom equipment and supplies. Put pencils, paper, books, etc. away neatly.
23. Leave the room in order. Have the students' pickup papers, straighten desks, etc.
24. Lock the door when you leave the room.
25. Leave a note for the teacher. Include positive experiences, a progress report, list of absent students, and names of cooperative, as well as, uncooperative students.

Professional Fitness Explanation Form

The Professional Fitness section of each application contains six questions. If you answered yes to any question, you must submit an Explanation Form **for each incident**, even if the incident was previously disclosed. If you are reporting convictions, each conviction must be disclosed on a separate explanation form.

Special note regarding criminal convictions or pending criminal charges:

You are required to disclose all misdemeanor or felony criminal convictions including those based on a plea of no contest. You must disclose a conviction no matter how much time has passed, even if the case has been dismissed pursuant to Penal Code section 1203.4. In accordance with Health & Safety Code sections 11361.5 and 11361.7, you may omit misdemeanor marijuana-related convictions that occurred more than two years prior to this application, except convictions involving concentrated cannabis, which must be disclosed regardless of the date of such a conviction.

If you are disclosing a conviction, employer action, investigation, or adverse action that you **previously disclosed** to the Commission, you must provide an explanation but you do **not** need to submit additional documentation. Your explanation must include dates, location, type of action taken, what you were charged with and convicted of, and agency and/or employer name.

Warning: Failure to disclose any required information is falsification of your application and the Commission may reject or deny your application or take disciplinary action against your credential.
