**Mandated Child Abuse Reporting for Educators and Sexual Harassment Prevention Trainings**

Assembly Bill 1432 requires mandated reporters under the Child Abuse Neglect and Reporting Act (CANRA) to complete training annually and obtain a Certificate of Completion. Substitute teachers are mandated reporters.

Senate Bill 1343 requires all non-supervisory employees to complete sexual harassment training every two (2) years. Substitute teachers are under the category of non-supervisory employees. The KCSOS Credentials Office requires that you complete this training annually for continued placement on the County-Wide Substitute Teacher Eligibility List.
