Career Interest
Graphic Organizer

Directions: Research four different jobs within your interest areas from the Career Zone website provided by your teacher. Complete the graphic organizer below for each job researched:

Job Title	Median Wage	Job Outlook	Job Zone Preparation Level	Similar Occupations

Reflection:

1. Prior to your research, in what job/occupation did you express interest at the beginning of the class?
2. If you previously took an interest survey, how closely did the results from it align with your pre-conceived ideas for work?
3. What was one thing that you learned about yourself or that surprised you from your research?
4. How has this research changed your thinking, if at all, about your future plans?
5. Explain how your current coursework will help lead to the job zone level required of your ideal job.
