

### Instructions for Career Research Activity

1. Go to [www.cacareerzone.org](http://www.cacareerzone.org).
2. If students are previously registered, they should log in.
3. For students new to the site, click on Sign In and then Create a New Account.
4. Go to Assess Yourself and click on Begin Assessment.
5. Next click on Quick Assessment.
6. Choose your 3 top identified Interest Codes.
7. Click on View Results.
8. A list of potential jobs is revealed. Click on an individual job for further details. (Note to Teacher: The icons on the right show levels of education needed, with 1 being the lowest and 5 the highest. Then you may select and check up to 4 jobs for comparison.)
