Form RL

Form RL calculates the Revenue Limit each district is due to receive based upon the most recent factors that have been submitted to the CDE (i.e. Attendance, property taxes, etc.).

Most of the information that district's will use to fill out the Form RL comes from the P-2 apportionment schedules, the other numbers come straight out of the GL. The four required apportionment schedules are 1) School District Revenue Limit – Calculations 2) School District Revenue Limit 3) Local Revenue 4) County Office Transfer. These specific apportionment schedules, along with all the apportionment schedules should be printed and put in a binder, as they will be referred to throughout year-end close. The link to the CDE's apportionment schedules is: <u>http://www.cde.ca.gov/fg/aa/pa/index.asp</u>
