

Illustration of How Students are Funded by LEA Type Under LCFF

(Shows transfer of ADA and CALPADS Data)

*ADA is reported by the county office of education by district of residence and is included in the district of residence's LCFF calculations. COE's CALPADS enrollment and unduplicated counts for these pupils are transferred from the county to district of residence for LCFF, based on data reported by the COE as part of P-2 for 2013-14 and beginning in 2014-15 via CALPADS.

**Applicable only to charter schools that operate county programs. ADA is reported by the charter school and is included in the county's LCFF calculations. Charter's CALPADS enrollment and unduplicated counts for these pupils are transferred to the COE for LCFF, based on data reported by the charter as part of P-2 for 2013-14 and beginning in 2014-15 via CALPADS.

GENERAL

- Changed the name of the data collection software to Principal Apportionment Data Collection Software. Reference to attendance and revenue removed.
- Menu selections will look a little different. All entry screens for an LEA will be available once LEA type is selected from drop down.
- The "Help file" has been re-written and will not be embedded within the software application. Software will include a link to CDE's Web site where the file is posted in a Word document format. Document will include instructions on how to report data.
- Edit checks mostly the same, except for single vs. multitrack.
- Revised, updated, and added new certification reports for all non-tax entry screens.

- ADA still by grade span for charters, but displayed in grid format rather than linear.
- This screen replaces the 4 block grant screens- EHS, Unified, COE and SBC.
- There is no more resident/nonresident for charters in unified districts because SB 319 (EC 47660) offset went away.
- Some of the lines are condensed, consistent with the district exhibits.
- Included TK in the title of the K-3 column to add clarity that TK ADA should be reported with all other kindergarten ADA.

GENERAL

- Changed the name of the data collection software to Principal Apportionment Data Collection Software. Removed reference to attendance and revenue.
- Menu selections will look a little different. All entry screens for an LEA will be available once LEA type is selected from drop down.
- The "Help file" has been re-written and will not be embedded within the software application. Software will include a link to CDE's Web site where the file is posted in a Word document format. Document will include instructions on how to report data.
- If applicable, updated, deleted, and added new edit checks for the above entry screens.
- Revised, updated, and added new certification reports for all non-tax entry screens.
