TO: School District Administrators
FROM: Division of Administration, Finance & Accountability
SUBJECT: 45 Day Revision Submission 2020-21 Budget

Education Code (EC) Section 42127(h) requires districts to make available for public review, within 45 days of the governor signing the state budget, any revisions to the July 1 Adopted Budget made necessary by the Budget Act.

Due to the effects of COVID-19 on the state's economy and the changes made to the state's budget after May Revise and district adoption of July 1 Budget, we respectfully request all Kern districts submit an updated Multi-Year Projection (MYP), LCFF Calculation and 18 Month Cash Flow Projection to our office immediately after board approval of the district's 45 day revision.

Districts may submit the MYP in Excel format, rather than using the SACS software. In addition, an 18 month Cash Flow template is now available on the Kern District Advisory website. Please contact your assigned Fiscal Analyst with any questions regarding this process.

If you have any questions, please call Priscilla Quinn, Assistant Superintendent of Finance, at (661) 636-4215.
