The Kern County Committee has received a Resolution from the Governing Board of the Lakeside Union School District to change the manner in which district trustees are elected. Currently, trustees are elected at-large. The proposal is that Board Members be elected by voters in individual trustee areas in which each trustee must reside. The resolution also proposes to hold by-trustee area elections in three areas (areas 1, 3 and 5) at its November 2022 election, and area elections in two areas (areas 2 and 4) at its November 2024 election.

A Representative of the Committee will conduct a public hearing on the Committee's behalf on this proposal.
