TO: School District Administrators

FROM: Division of Administration, Finance and Accountability

SUBJECT: Financial Reporting – 2023-24 Budget and Local Control and Accountability Plan Submissions

As a reminder, per Ed Code (EC) Sections 42127 and 52062, two separate Governing Board meetings, held at least one day apart, are now required for the school district to adopt both the Budget and LCAP. Public hearings on LCAP and Budget cannot be held on the same day as the meeting to adopt the LCAP and Budget. EC Section 52062(6)(2) states that the meeting to adopt the LCAP and Budget must be “held after, but not on the same day as, the public hearing”. They can be held as little as one day apart.

The Budget requires a public hearing (10 day posting) with budget adoption at a subsequent board meeting. In addition, the LCAP public hearing (72 hour posting) must occur at the same meeting as the budget public hearing and the LCAP adoption must occur at the same meeting as the budget adoption. The LCAP agenda item must precede the budget agenda item at each meeting. These requirements must be completed prior to July 1st.

Per EC Section 52064.1, the Budget Overview for Parents is subject to the same requirements for adoption, review and approval as the LCAP, and must be attached as a cover to the LCAP. Additionally, EC Section 42127(a)(2)(B) requires a statement of reasons that substantiates the need for a reserve greater than the minimum reserve standard. A template is available on our website at: <http://kern.org/finance/district-advisory-services/tools-resources>.

This statement of reason must be made available at a public hearing prior to budget adoption.

Please email the LCAP at LCAP@Kern.org; simultaneously, please print remaining budget forms and bring them to the 6th Floor, City Centre. Please email official DAT file and LCFF calculator to Matthew Hughes at mahughes@kern.org.
