CATERING MENU

About At Your Service Event Catering

At Your Service Catering is the full-service catering service operated by the Kern County Superintendent of Schools' Food & Nutrition Services department. Designed to enhance events of all sizes — from small meetings and intimate gatherings to large-scale celebrations — At Your Service offers a versatile range of menu options, from casual lunches to elegant dinners, all customizable to meet diverse needs and budgets.

But At Your Service is more than a catering provider — it's a community-centered initiative that blends quality cuisine with purpose. By hiring students impacted by local county, district, and community programs, AYS creates meaningful employment opportunities and real-world experience that foster both personal and professional growth. The program also partners with high school culinary programs to provide students with early exposure to professional kitchen environments and a pathway into careers in Culinary Arts and Hospitality.

At Your Service Catering is where exceptional food, educational opportunity, and community engagement come together to create something truly extraordinary.

ALL SCHOOL BBQ

Looking to provide a school-wide event and want your food service team to take part in it?

Take advantage of the At Your Service Catering team's ***All School BBQ***. We will bring the pit and onsite cook your preferred ratio of Hot Dogs and Hamburgers for your students.

Lunch includes the USDA approved student lunch components for the K-8 meal pattern:

- Choice of Milk (provided by the school)
- Vegetables (3/4 cup)
- Fruit (1/2 cup)
- Grains (WG 2oz Eq buns)
- Meat/Meat Alternate (2 M/MA hot dog or burger)

Special diet lunch meals can be arranged.

Set up:
The At Your Service Catering team will arrive early to set up at the designated area as identified by the school and bring tables if needed to facilitate the service. The meal will include all food components listed, necessary condiments and disposables.

Cost:
$6.15 per student (by pre-purchase only), $7.25 for non-students/adults. This is a full, reimbursable meal, and the school requesting the onsite BBQ is advised to utilize your Point of Sale system to capture all students participating, essentially providing this BBQ at no additional cost to the school.
