

# Aflac Interest Form for employees of KCSOS

## You work hard for your paycheck, and we'd like to help you protect it.

For more than 65 years, Aflac has been here when people need us most by helping with the expected – and unexpected – that's sure to come life's way.

Health insurance wasn't designed to cover everything. That's why there's Aflac. We can help take care of the expenses health insurance doesn't cover, so you can take care of everything else.

Aflac supplemental insurance plans pay you cash benefits directly to you (unless assigned otherwise) so you can focus more on getting better instead of worrying about medical bills and other expenses.

**Supplemental plans available to you:**

- Accident Insurance**  
Individual accident insurance can help with unexpected expenses associated with an accidental injury, so you can focus on getting better.
- Cancer/Specified-Disease Insurance**  
Aflac cancer/specified-disease policy provides robust benefits so you can seek the treatment you need while easing the financial concerns that often accompany it—before, during and after diagnosis.
- Short-Term Disability Insurance**  
What if you couldn't work due to injury or illness? Aflac Short-Term Disability insurance helps replace some of your income and keeps working when you can't.
- Hospital Confinement Indemnity Insurance**  
Health insurance isn't meant to cover all expenses associated with hospitalization – like deductibles and copays. Aflac hospital insurance can help minimize those out-of-pocket costs so you can focus on recovery.
- Critical Illness (Specified Health Event) Insurance**  
An Aflac specified health event policy is designed to help with the costs of treatment if you experience a covered health event.
