### **KERN LEARNS**

College and Career Readiness:  
Burroughs High School offers a robust ELA program that prepares students for college writing classes through ERWC. Social Studies and English departments work closely together. ELA department gives mini lessons on how to take college assessments and counselors encourage students on their college/career pathway. Caltech is a contributing partner and includes metal shop, woodshop, engineering, auto, culinary arts and criminal justice. AVID trained in methodology and annotation on a daily basis. Math English Technology and Tracking freshman and sophomore in college prep and AP courses is included for intervention and reinforcement.
