

Prospective Science Fair Judges:

This year's Kern County Regional Science Fair will be held on Tuesday, March 17, 2020, at the Mechanics Bank Arena, 1001 Truxtun Avenue, Bakersfield. Last year approximately 750 students from grades 4-12 participated at the county level.

I would like to invite you to serve as a science fair judge. Your commitment to the students in our county can help ensure that they will have a memorable experience; participation in a county science fair often encourages students to pursue higher levels of science in their future educational endeavors.

If interested, please complete the short google form at [2020 Science Fair Judge Registration](#)

By completing this form, you would be helping us to properly place you in a science category and/or grade level of students that best suits you. Please feel free to send this link to any of your friends and colleagues who may be interested.

Thank you in advance for your commitment. Kern County Regional Science Fair would not be possible without the support from our volunteers. If you have any questions, please contact me at 661-636-4640 or e-mail [miroy@kern.org](mailto:miroy@kern.org).

Sincerely,  
Michelle Roy, Coordinator  
Kern County Superintendent of Schools  
1300 17th Street  
Bakersfield, CA 93301
