1. Welcome and Introductions
2. Public Comment

**PUBLIC COMMENT**

The Kern County Consortium SELPA Community Advisory Committee (CAC) welcomes comments from the public at appropriate times during the meeting. The public may address the CAC concerning items on the agenda as those items are taken up prior to discussion and deliberation by the CAC. The public may also address the CAC on items not on the agenda, but within the jurisdiction of the Council, at the time designated.

To conduct CAC business in an orderly and efficient manner and allocate available time, each speaker must fill out a speaker card at the beginning of the meeting stating the speaker's name and the subject to be addressed.

Please wait to be recognized by the meeting Chair. Comments should be addressed to the CAC as a whole and not to individual CAC members or guests. Unless otherwise determined by the CAC, each person is limited to 3 minutes per item. If multiple speakers wish to speak on a specific item, the total time allotted will be 20 minutes.

Speakers should be aware that they might incur legal liability for statements made at a CAC meeting, particularly if the comments are not related to CAC business.
