February 8, 2022
Virtual (Zoom) Meeting
11:00-1:00pm
Agenda

CAC Chair: Renee Gonzalez

1. Welcome and Introductions
2. Public Comment

PUBLIC COMMENT

The Kern County Consortium SELPA Community Advisory Committee (CAC) welcomes comments from the public at appropriate times during the meeting. The public may address the CAC concerning items on the agenda as those items are taken up prior to discussion and deliberation by the CAC. The public may also address the CAC on items not on the agenda, but within the jurisdiction of the Council, at the time designated.

To conduct Council business in an orderly and efficient manner, each speaker must voluntarily email Melissa Wood at mewood@kern.org and a Zoom Meeting invitation will be sent. These notifications must be sent to Melissa Wood up to an hour prior to the meeting, so their name can be placed on the comment list.

Please wait to be recognized by the meeting Chair. Comments should be addressed to the CAC as a whole and not to individual CAC members or guests. Unless otherwise determined by the CAC, each person is limited to 3 minutes per item. If multiple speakers wish to speak on a specific item, the total time allotted will be 20 minutes.

Speakers should be aware that they might incur legal liability for statements made at a CAC meeting, particularly if the comments are not related to CAC business.
