

We are looking for children...

...very special children

...and we need your help

There are many children with disabilities (birth to 21 years) who need free educational and therapeutic services available from Kern County school districts. We need your help to find these children!

The Search and Serve Office can identify possible disabilities and refer you to the appropriate educational facility. If you know of a child who has one or more of the disabilities listed below, (or you suspect they have) please let us know!

- ◆ autism
- ◆ learning disabilities
- ◆ deafness or severe hard of hearing
- ◆ total or partial blindness
- ◆ speech or language difficulties
- ◆ physical or orthopedic impairments
- ◆ developmental delays
- ◆ intellectual disabilities
- ◆ serious emotional problems
- ◆ multiple disabilities
