PUBLIC COMMENT

The Kern County Consortium SELPA Superintendent's Executive Council ("Council ") welcomes comments from the public at appropriate times during the meeting. The public may address the Council concerning items on the agenda as those items are taken up prior to discussion and deliberation by the Council. The public may also address the Council on items not on the agenda, but within the jurisdiction of the Council, at the time designated.

To conduct Council business in an orderly and efficient manner and allocate available time, each speaker must fill out a speaker card at the beginning of the meeting stating the speaker's name and the subject to be addressed.

Please wait to be recognized by the meeting Chair. Comments should be addressed to the Council as a whole and not to individual Council members or staff. Unless otherwise determined by the Council, each person is limited to 3 minutes per item. If multiple speakers wish to speak on a specific item, the total time allotted will be 20 minutes.

Speakers should be aware that they may incur legal liability for statements made at a Council meeting, particularly if the comments are not related to Council business.
