Dear Parent:

We are thrilled that your child will be participating in one (or more) of the student events sponsored by the Kern County Superintendent of Schools Office this year. Student events can be incredible motivators for students and enhance student creativity, character and knowledge. Competition is demanding, but offers rich and rewarding experiences, regardless of event ranking. And remember, events should be fun!

We offer 15 competitive student events. Talk to your child and select events that are appropriate for him/her and that fit into your schedules.

Remind your child that not everyone wins an award. Whether or not your student places in the county competition is not as important as the life lessons revealed through the competition process. The world is full of disappointment, and many times we learn more and develop greater character when life does not go the way we expect.

Thank you for supporting your child in his/her academic pursuits. We wish you both a year full of rich experiences through competition.

Thank you,

The Student Events Team
Student Event Etiquette

(Important things to remember when competing)

✓ Students are kids and they should have FUN when competing.

✓ Teachers, parents, and students should demonstrate good sportsmanship at all times.

✓ Things may not always go the way you and your child hope or expect, but make the best of the situation. Please remember that your student/child takes behavior cues from you.

✓ Talk to your child about disappointment and set an example of how to be gracious in disappointing situations.

✓ Judging is a subjective process and judges’ decisions are final.

✓ Judges volunteer their time to make student events possible. Please do not express concerns or complaints to the volunteer judges. If you have a complaint, please find the event coordinator to express your concerns.

✓ We are guests at our event venues. Please be courteous and respect the property of others.

✓ Do not enter or leave a room during a presentation.

✓ Avoid unnecessary noise during a presentation.

✓ Turn off all cell phones and pagers when in a competition room.

✓ Ask permission of competitors before taking photos or videotaping them.

✓ Be gracious in disappointing situations, and learn to be gracious in winning.
District/School Responsibilities

If your district/school decides to participate in student events, you may be asked to:

- Provide volunteers to help with various aspects of the event
- Furnish judges for the event
- Provide a liaison with an e-mail address, who will act as event point person and share all correspondence with students, parents and other teachers at your site/district
- Share the “Letter to Parents” and “Event Etiquette” with your students and their parents
