VOLUNTEER ATTORNEYS & JUDGES NEEDED

Join the Kern County Superintendent of Schools in supporting civic education by volunteering for the high school Mock Trial program. We're looking for attorneys and judges to serve as scoring judges and presiding judges over mock trial rounds. Volunteers help guide trial proceedings, score student performances, and ask clarifying questions — no extensive prep needed.

Orientation and case materials provided. Minimal time commitment. Minimum Continuing Legal Education (MCLE) credits available for participation. Help shape the next generation of legal minds!
