

MATHEMATICS

Nearest ten

Rounding

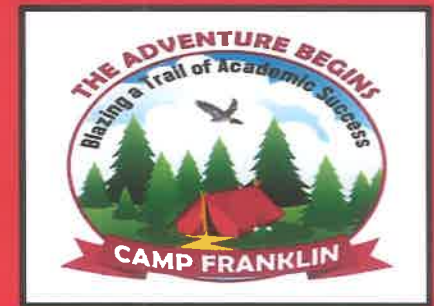

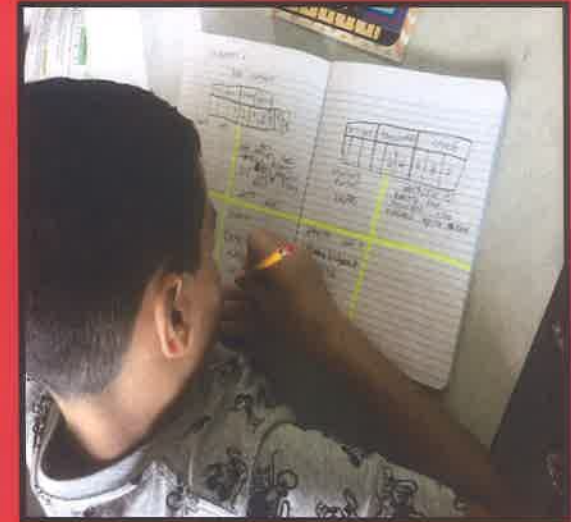

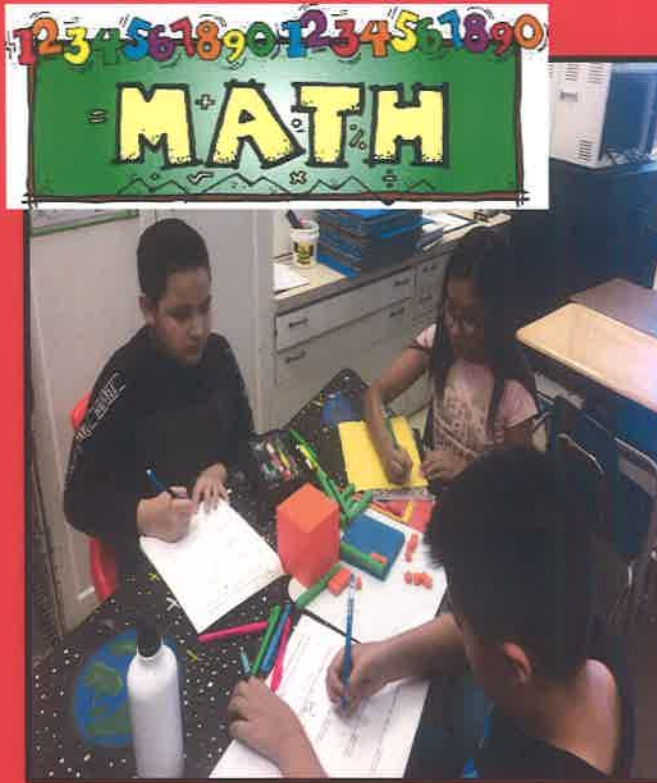

Why? mental math - do I have enough?
about how many do I need?

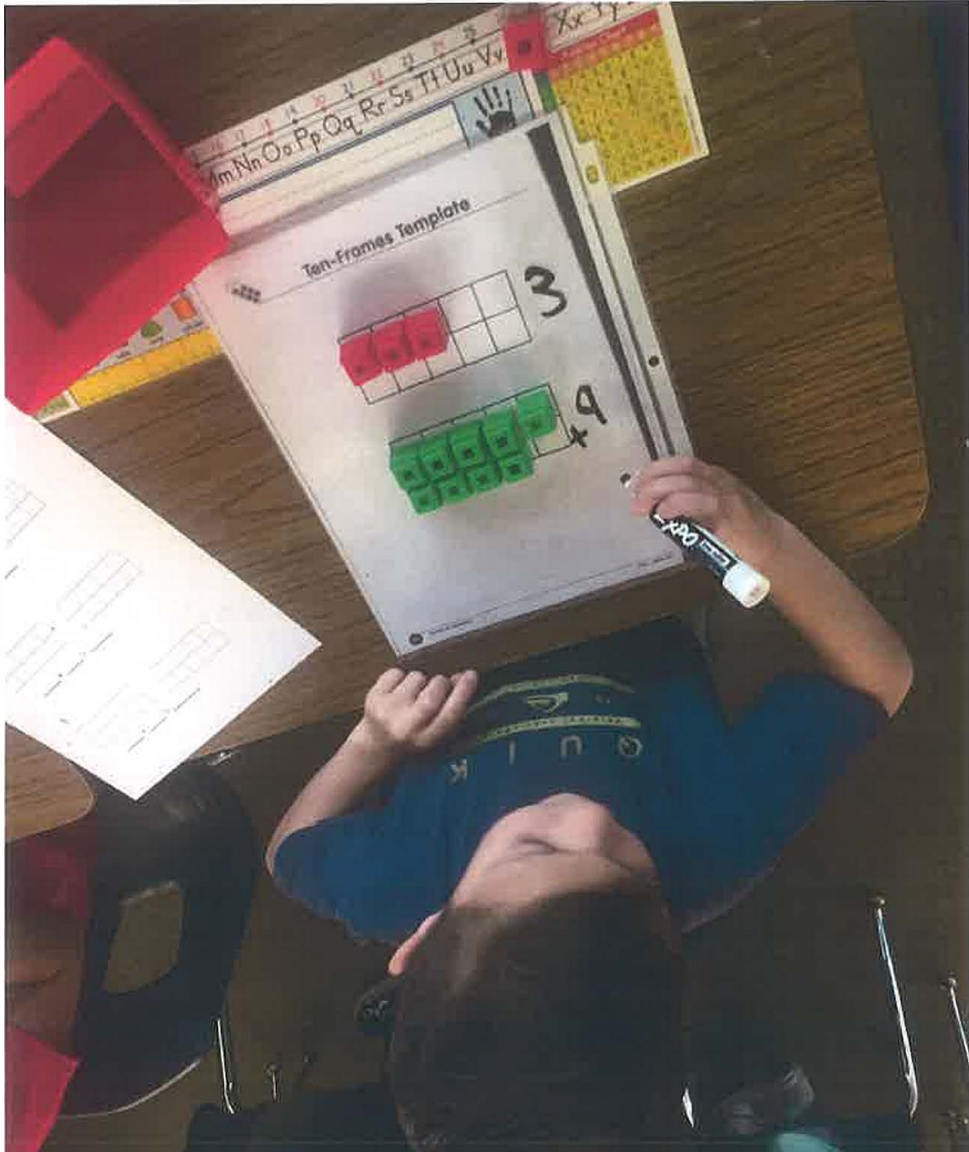

30 35 40
benchmark midpoint benchmark

32 is between 30 and 40,
but it is closer to 30

630 635 640

632 is between
630 and 640, but it is
closer to 630
