

Who Am I?

By: G

Introduction

-
- One thing that makes me different from other students is that I'm very competitive when it comes to something I like or willing to learn.
 - Some people don't know I came from Mexico cause I look white according to them.
 - I actually love school and learning new things

Significant positive past

- Doing sports guide me to make new friends whom now I call real friends
- Participate in school events
- Having to go to colleges trips
-

Significant obstacles of past

Hang out with bad friends

Getting a surgery(I really struggle because I couldn't do sports or be able to work for almost two years)

Being lazy

Not knowing the American language so well

Present Goals

- Doing work to pass all my classes
- A way to stay out of trouble is not hang out with bad people
- Planning on buying a car is one my main goals. It will very useful once I'm in college

Future Goals

I'm really interesting on being a welder or a Physical Therapist. Whatever works out for me in the future I would be very happy.

My future car would be a jeep or a mercedes Benz I'm really into those cars.

A family of 4 would be great for me

Future Goals

- My goal is to buy good nice house with 5 bd / 3 ba and with a pool if is necessary
- I see myself living in Long Beach, Ca or Bakersfield
