 Using Smarter Balanced IAB Score Reports
 Reflecting on Curriculum, Teaching, and Learning
 Data Dialogue

Guiding Questions	Answer(s) to Guiding Questions	Action(s)/Next Steps	Reflections of "Surfaced Questions"
<p>What curriculum and materials did we use to teach the knowledge, skills, and concepts addressed on this assessment?</p> <p>If different, clearly document who taught what.</p>			
<p>How does the level of rigor or DOK of the teaching and learning that occurred compared to the items on the assessment?</p> <p>If so, provide examples to support/</p>			
<p>How well do the IAB results align with our existing perceptions of student achievement at the classroom level, based on last year's CAASPP score and most recent report card grades?</p>			
<p>What curriculum and materials do we have to address the areas of need for the remainder of the school year?</p>			

<p>What resources aligned to the targets/standards on this assessment are available in the Smarter Balanced Digital Library? Look for a blue "Instructional Resources" button in the bottom right about Scale Score/Error Band.</p>			
<p>What date will additional teaching and learning around these targets take place?</p>			
<p>What does reteaching around these targets look like?</p> <ul style="list-style-type: none"> <input type="checkbox"/> Small group <input type="checkbox"/> Whole class <input type="checkbox"/> Shared students across the grade level <input type="checkbox"/> Instructional Aide used with student support 			

*What are three immediate steps that we are going to take as a team based upon this data dialogue?
 Choose from the following examples: Calendar reteach date(s), agree to process steps for reteach, grade level anchor chart, create a grade level CFA or re-administer IAB.*

- 1.
- 2.
- 3.

What are three longer term steps that we are going to take as a team based upon this data dialogue?

- 1.
- 2.
- 3.

What data will we use to monitor implementation of our solution or actions?
