## 2017-20 Plan Summary

### The Story

Describe the students and community and how the LEA serves them.

During the 2017-18 school year, Delano Joint Union High School District served 4314 students in grades 9-12. Student enrollment included 8.7% receiving special education services, 27% qualifying for English Learner services, 4.1% qualifying for migrant education services, and 93.3% socioeconomically disadvantaged. School enrollment by ethnicity included 86.8% Hispanic, 0.8% Asian, 10.3% Filipino, 0.4% African American, 1.4% white and 0.3% two or more races. The DJUHSD community includes feeder districts in the communities of Delano, Earlimart, Richgrove, Allensworth, Columbine, and Pond. The poverty level in these communities ranges from 30% in the city of Delano to just over 53% in the outlying communities. The largest industry of local employment is agriculture.

Our district is committed in preparing all students to be college and career ready with a rigorous, high quality, standards-based academic program aligned to the needs of all learners in a safe and nurturing environment. The Delano Joint Union High School District mission is to develop citizens which learn actively, think critically, live responsibly and respectfully, and who will make positive contributions to their community. As a result, the Delano Joint Union High School District has adopted the following goals:

T - Teaching & Learning: To collaboratively support quality evidence-based instructional practices and analyze student outcomes using formative and summative assessments to advance student learning.

E - Enrichment: To provide enrichment opportunities that promote academic, college and career readiness, social responsibility, and emotional development.

A - Achievement: To promote high expectations and academic results, the educational community and District stakeholders will foster, recognize, and celebrate learning and achievement.

M - Model: To effectively model our mission and vision, every team member will exemplify character, loyalty, commitment, leadership and excellence.

## LCAP Highlights

Identify and briefly summarize the key features of this year's LCAP.

DJUHS D will continue to focus this year's LCAP on targeted, high-quality professional development; curriculum and instruction refinement; increased course access for our students with severe disabilities; repairs of our student-use facilities that have aged over the years; increased college and career opportunities; and a high-quality education and safe school environment for all our students. In light of recent events and stakeholder feedback, we have added resources to improve student and staff sense of safety. In addition, we increased course access for all students by providing a choir teacher at RFK, a band teacher at DHS, welding teacher at RFK, a class-size reduction math teacher at CCHS, and a health pathway teacher at CCHS and RFK. This year's LCAP also includes an additional staff development day for teachers to improve instruction and student outcomes. To provide our students with additional support and services, we have included resources to extend the teacher duty day to allow for meetings with students and parents. Our goal is to improve student support services and improve student outcomes. Thus we have included action to add an intervention counselor at each comprehensive school site.

## Review of Performance

Based on a review of performance on the state indicators and local performance indicators included in the LCFF Evaluation Rubrics, progress toward LCAP goals, local self-assessment tools, stakeholder input, or other information, what progress is the LEA most proud of and how does the LEA plan to maintain or build upon that success? This may include identifying any specific examples of how past increases or improvements in services for low-income students, English learners, and foster youth have led to improved performance for these students.

## Greatest Progress

The Delano Joint Union High School District's greatest progress is evidenced in the academic attainment of our schools as well as improvements in services for our English Learners, foster youth, and low-income students. All LCAP funds were principally directed towards our unduplicated count of 93.3% of our total student population. Progress on Priority 1 is evidenced in attainment of 100% appropriately assigned and credentialed teachers, 100% students with access to their own copies of instructional materials for student use, and completion of the much needed repairs to student use facilities. The DJUHS D has attained full implementation and sustainability of the state academic standards in English Language Arts, ELD, Mathematics, Visual Performing Arts, and World Languages. Our district has attained full implementation of state academic standards in History-Social Science, Next Generation Science Standards, Career Technical Education, Health Education, and Physical Education Model standards. Our greatest accomplishments are evidenced in pupil academic achievement. Sixty-five percent of all students met standard on SBAC English Language Arts, exceeding state and county rates. In CAASPP mathematics, 30.8% percent of all students met or exceeded standard resulting in rates above the county and within state levels. The DJUHS D UC a-g completion rates increased over 10% from the previous year with 52.3% of the 2017 graduates completing UC a-g requirements. Our English Learner Progress Indicator continues to be "Very High" with regards to English proficiency on the CELDT and reclassification rates. The district continues to maintain a very low dropout rate of 0.4%. This rate is far below county and state levels of 2% and 2.4%, respectively. In addition, the Delano Joint Union High school District continues to maintain a very high graduation rate of 96.9% for all students and 95% for the English Learner subgroup. The suspension rate for the district of 2.7% is below county and state rates of 5.0% and

3.6%, respectively. The suspension rate for students with disabilities of 4.8% is also below county (8.3%) and state levels (7.1%). Visual performing arts in music at all three comprehensive high schools had an outstanding, competitive year. Cesar E. Chavez took first place at finals in the fall competition and Gold Medalist and Undefeated at the final competition spring 2018. Delano High School and Robert F. Kennedy took the first and second place, respectively, in the same division for both the fall and spring competitions. The Robert F. Kennedy Mock Trial team took 4th in the county out of 18 schools. The DJUHSD intent is to maintain California Dashboard Met status on Priorities 1 (Basic Services), 2 (Implementation of academic standards), 3 (Parental Involvement), and 6c (Parent, student, and teacher surveys on sense of safety and school connectedness) by continuing to implement the actions outlined in the LCAP. English Learner Progress and Graduation rates on the California Dashboard are at a Very High status. The DJUHSD intends on maintaining the Very High status by continuing to implement the actions in the LCAP. Suspension rates on the California Dashboard are Low status for all students and the English Learner subgroup. The suspension rates for students with disabilities is at a Medium status. DJUHSD intends on improving suspension rate to a Low status for all students and subgroups. The DJUHSD will maintain current actions and has added some additional actions for the 2018-2019 school year to attain this goal.

Referring to the LCFF Evaluation Rubrics, identify any state indicator or local performance indicator for which overall performance was in the “Red” or “Orange” performance category or where the LEA received a “Not Met” or “Not Met for Two or More Years” rating. Additionally, identify any areas that the LEA has determined need significant improvement based on review of local performance indicators or other local indicators. What steps is the LEA planning to take to address these areas with the greatest need for improvement?

## **Greatest Needs**

The DJUHSD has noted an academic achievement gap in the special education subgroup as it relates to the 2017 SBAC English (14.1% met standard) and Mathematics (1.4% met standard) achievement. This achievement gap is also noted in the English Learner subgroup in SBAC English (23.4% met standard) and SBAC Mathematics (5.7% met standard) achievement in comparison to all student achievement on SBAC (English 65.5% met or exceeded standard; Mathematics 30.8% met or exceeded standard). An additional area of need is access to a broad course of study for students in the areas of music and CTE health pathways at RFK and DHS. The DJUHSD has also noted an achievement gap on the College and Career indicator amongst all students (46.2% College and Career Ready) compared to the English Learner subgroup (16.2% College and Career Ready) and the Students with Disabilities subgroup (5.3% College and Career Ready). Our College and Career Readiness indicator on the California Dashboard is at Medium status for all students, Low status for English Learners, and Very Low status for students with disabilities. The DJUHSD plans on improving the College and Career Readiness by providing additional dual enrollment, UC a-g, and CTE opportunities to improve to a High status for all students and subgroups. The DJUHSD is committed to improving in these areas and has included in the actions the need for continued tutorials, interventions, support staff, incentives, technology, professional development and parent training to address the academic achievement gap. The DJUHSD has added additional support staff to increase access to a broad course of study for all students.

DJUHSD suspension rates are higher among the Homeless (3.9%), Asian (6.1%), White (5%), English Learner (4.5%) and students with disabilities subgroups (4.8%) when compared to all students (2.1%). To address this area, the DJUHSD has recommended maintaining the current actions in Goal 3 and adding an Intervention Counselor at each comprehensive high school. The graduation rate for the Homeless subgroup declined 5.1%

The Delano Joint Union High School District's goal is to continue attaining high achievement (as noted in our baseline data) and to continue providing the best school climate for all our students.

Referring to the LCFF Evaluation Rubrics, identify any state indicator for which performance for any student group was two or more performance levels below the “all student” performance. What steps is the LEA planning to take to address these performance gaps?

## **Performance Gaps**

Performance gaps are noted in the Academic Indicator with regards to California Assessment of Student Performance and Progress (CAASPP) achievement for students with disabilities subgroup in English (14.1% met or exceeded standard) and Mathematics (1.4% met or exceeded standard) Smarter Balanced Assessment Consortium (SBAC). Similar gaps on the SBAC ELA and math are noted in the English Learner subgroup with a standard met or exceeded of 23.4% in ELA and 5.2% in mathematics. The second gap is noted in the College and Career Readiness Indicator with the English Learner subgroup (16.2%) and Student with Disabilities subgroup (5.3%) when compared to all students (46.2%). A third performance gap is also noted in the Graduation Rate Indicator students with disabilities subgroup (80.3%) as compared to all students (96.9%). The fourth performance gap is noted in Suspension Rate Indicator English Learner (3.4%), Homeless (3.9%), Asian (6.1%), White (5%) and the Students with Disabilities subgroup (4.8%) compared to all students (2.1%). There is also a performance gap in the graduation rate of the Homeless (91.5%) subgroup when compared to all students (96.9%). To address the academic indicator gaps, our district will use data to refine and modify curriculum and instruction; provide teachers with high-quality professional development; provide supplementary instructional supplies, technology, interventions, and reduced class size; and continue to provide support staff, including an academic coach in our special education department, to improve services for students and assist students to attain outcomes. To address the suspension and graduation rate gaps, our district will provide evidence-based professional development on intervention strategies; purchase supplementary instructional materials; implement alternative settings in lieu of suspension; offer academic interventions and academic acceleration options; fund support staff such as psychologists, discipline liaisons and nurses to help students stay in school; provide additional student support services with the intervention counselor; extend the teacher duty day to be available for students and parents; and continue to foster an educational environment where students can attain success.

If not previously addressed, identify the two to three most significant ways that the LEA will increase or improve services for low-income students, English learners, and foster youth.

## **Increased or Improved services**

The unduplicated student count for the Delano Joint Union High School District is approximated to be 93.3% for the 2018-2019 school year. Increased and improved services will be implemented district wide as a result of the unduplicated counts percentage. A portion of the Supplemental and Concentration Grant funds were also allocated to all schools for site-based level decisions. The Delano Joint Union High School District Minimum Proportionality Percentage (MPP) for the unduplicated student subgroups in the 2018-2019 school year is estimated to be 36.61%. This minimum proportionality percentage will be met in the 2018-2019 school year by continuing existing services and increasing support, services, and programs for the unduplicated group and LEA wide. Additional support services as well as staff development, curriculum alignment, college and career readiness, supplies and equipment, and interventions will continue to be provided and improved. The DJUHSD has also included an additional day of professional development, an academic coach in special education, professional development opportunities for classified staff, and added an

intervention counselor at each comprehensive school site to reduce suspensions and provide needed student support services to improve school climate.

## Budget Summary

Complete the table below. LEAs may include additional information or more detail, including graphics.

| DESCRIPTION   | AMOUNT          |
|---|-----------------|
| Total General Fund Budget Expenditures For LCAP Year  | \$63,837,342.11 |
| Total Funds Budgeted for Planned Actions/Services to Meet The Goals in the LCAP for LCAP Year | \$16,784,038.00 |

The LCAP is intended to be a comprehensive planning tool but may not describe all General Fund Budget Expenditures. Briefly describe any of the General Fund Budget Expenditures specified above for the LCAP year not included in the LCAP.

The majority of the District's total General Fund Budgeted expenditures for the 2018-2019 school/fiscal year are for instructional purposes. Other General Fund expenditures specified above for the LCAP year that are not included in the LCAP are related to special education instruction, instructional supervision, curriculum and staff development, special projects, instructional media/library, parent participation, school administration, guidance/counseling, psychological services, attendance/social work services, health services, speech pathologists, pupil transportation, other pupil services (special education), ASB, athletics, business services, human resources/personnel services, board and superintendent services, warehouse, data processing, maintenance & operations, security, and facility rents and leases. The District also contributes to programs and other funds that experience excess costs relative to revenues, such as Special Education (both Federal and State), the Cafeteria Fund, and to the Deferred Maintenance Fund.

# Analysis

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed. Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

Our staff continues to utilize time to evaluate data, collaborate, and modify and refine curriculum and assessments to meet student needs. Teachers continue to participate in targeted, high-quality professional development. The full implementation of content standards, the supplementary instructional materials, technology, tutorials, interventions and the increased UC a-g offerings attributed to attaining or surpassing the outlined goals.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

All actions and services were evaluated by administrators, teachers, students, other staff and parents for effectiveness. These stakeholders are proud of the academic achievements attained by our district schools. These achievements include the CAASPP English (65.5% met standard) surpassing county (51.7% met standard) and state levels (59.8% met standard). The district's UC a-g completion rate of 52.3% (an increase of 13% over previous) exceeds county (35%) and state (46.8%) UC a-g preparedness. Similarly, the DJUHSD English Learner Progress Indicator continues at a "Very High " level on the California Dashboard. The stakeholders concurred the outlined actions and services are appropriate.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

There are no significant differences in budgeted expenditures in most actions other than the need to improve technology, reduce class size in areas of need, and reduced expenditure for field trips resulting from utilization of additional available resources. Action 2 resources were not fully utilized due to availability of Teacher Effectiveness grant monies. These monies are not available next year. The resources not fully used in the actions outlined in this goal were used to purchase supplementary instructional materials and technology to attain the targeted goals. Some of the Action 6 resources for intervention were transferred to reduce class sizes.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

There were only a couple of changes added to this goal. To close the academic achievement gap in English and mathematics for students with disabilities, DJUHSD added a part-time resource teacher for the special education program. The DJUHSD also added an additional mathematics teacher at Cesar E. Chavez to reduce class size.

## Analysis

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed. Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

DJUHSD provided professional development time on Wednesday to refine instruction and curriculum in CTE, foreign language, visual performing arts, and physical education. We maintained the additional CTE pathway teachers as well as funding North Kern Vocational Center to improve college readiness. Staff also participated in high quality professional development, purchased equipment and supplies, purchased updated technology, provided tutorials, and provided field trips to colleges and universities. Course access increased for students with severe cognitive disabilities by utilizing the additional instructional assistants to accompany them to other subject areas such as music, art, choir, home economics, and computer literature. Our CTE Director was instrumental in aligning CTE course and articulating dual enrollment opportunities for our students.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

All actions and services were evaluated by administrators, teachers, students, other staff and parents for effectiveness. The additional instructional assistants increased course access for students with disabilities to 100% access to a broad course of study. Stakeholders concurred to keep the outlined actions and services to meet student outcomes.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

The one area of significant difference in budgeted expenditures and the actual expenditures is action 4: maintain CTE offerings and funding North Kern Vocational program. These resources were increased to provide additional sections to improve CTE completion rates and provide our students with industry-recognized job skills. Our staff participated in the PLC professional development on Wednesdays and there was no additional need for action 2 this year. These resources were used to help fund the additional CTE sections (Action 4c). In Action 3, resources were transferred to Action 4e as a result of CTE equipment funded through other grants. Similarly, Action 7 resources were transferred to assist funding Action 4e as a result of CTE funding from Perkins & CTIIG.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

DJUHSD added to Goal 2 Action 4 the funding of a welding teacher and two health pathway teachers to increase CTE completion rates. To provide access to a broad course of study, DJUHSD has added in Goal 2 Action 5 a band teacher at Delano High School and a choir teacher at Robert F. Kennedy High School. Robert F. Kennedy High School did not have a choir teacher and Delano High School did not have a band teacher. Students at both of these high schools did not have access to these courses.

Increase Parent Advisory participation by 10% over previous year to seek input in making decisions for the district and each individual school site.

### 17-18

Increase Parent Advisory participation by 10% over previous year to seek input in making decisions for the district and each individual school site.

## Actual

California School Dashboard Fall 2017 Met

There are zero number of instances where our facilities do not meet the "good repair" standard. The Facility Inspection Tool has a few noted deficiencies for repair of asphalt, roof, fence, and grounds at specific school sites. These minor deficiencies are currently under repair. The progress on this standard was reported to the local governing board at the November 2017 public meeting.

The DJUHSD maintained the increased parental involvement for the 2017-18 from the previous year and attained the increase of 10% parental participation. The Parent Advisory groups were instrumental in providing input in the development and/or refinement of LCAP actions.

California School Dashboard Fall 2017 Met

Delano Joint Union High School administered a local survey to parents/guardians of our schools across grades 9 through 12. Approximately 1245 of our parents responded to the survey. The results of the survey indicate that 96% of parents agree that the school involves parents in providing input in making decisions for the school or district. In addition, 96% of parents also agree that the school promotes parental participation in programs. The local survey was developed to suit the Local Control Accountability Plan (LCAP) priorities and metrics. Questions were tailored for parents to provide specific responses to the areas of need (State Priorities) in the LCAP. The findings of the survey are directly related to the goals established in the LCAP.

Delano Joint Union High School District school sites administered a local climate survey to parents at the beginning of the school year. Approximately 1250 parents participated in the local climate survey. The 98% of the parents surveyed indicate students feel safe at school. In the more recent California Healthy Kids survey conducted in February 2018, 84% of ninth graders and 87% of 11th graders feel safe at school. Results from this survey also indicate that 90% of these students feel connected to their school.

## Analysis

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed. Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

All actions and services were implemented during the 2017-18 school year. DJUHSD provided professional development opportunities to all staff. Staff participated in the two professional development days offered in Goal 1 Action 1. We provided all interventions and support for student success through our opportunity programs and academic intervention sessions. Students of low socio economic status received additional support services from our psychologists, nurses, discipline liaisons, and resource officers. DJUHSD was able to complete much needed repairs to student use facilities. Parent outreach and workshops were conducted in the evenings on a regular basis. DJUHSD accommodated student needs by adjusting the classified staff work calendar to align to student school days.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

All actions and services were evaluated by administrators, teachers, students, other staff and parents for effectiveness. These stakeholders are pleased with the increased services for our students and the outcomes (graduation rates, low suspension rates, and low expulsion rates) that have been attained. The DJUHSD has attained 100% credentialed and appropriately teachers, full implementation of academic content standards, and facilities are much improved with the repairs completed this year. Dropout rates declined to a 0.4% which is far below county and state levels of 2.0% and 2.4%, respectively. Our district continues to maintain a "Very High" graduation rate of 97%, and suspension rates below county and state levels.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

The material differences are in Action 1 and Action 4. There was less cost for professional development in action 1 as a result of district sponsored ongoing professional development. The material difference in Action 4 is a result of a couple of vacancies that were not needed.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

With respect to Goal 3, DJUHSD has added to student sense of safety resources for equipment and repair to better secure the school campus. To reduce suspensions and expulsions, the DJUHSD has added actions for a canine detection services and an intervention counselor for each comprehensive school site. To increase services for students and parents, the DJUHSD is extending the teacher duty day for teachers to be available for students and parents afterschool. This school year the classified work calendar was modified to increase and improve services for students by making staff available during the school year.

# Stakeholder Engagement

LCAP Year: 2018-19

## Involvement Process for LCAP and Annual Update

How, when, and with whom did the LEA consult as part of the planning process for this LCAP/Annual Review and Analysis?

DJUHSD district conducted stakeholder meetings throughout the year with parent advisories, school and district administrators, teachers, students, and other staff members. DJUHSD also consulted with Delano Joint Union High School District Teachers Association and California School Employees Association in the review and analysis of the LCAP. An LCAP public forum was held on May 15, 2018 for review of the proposed actions and for comment from the public. A summary of those meetings is outlined below.

### Principals and Administrators:

LCAP stakeholder meetings were held on 7/31/2017; 9/22/2017; 9/28/2017; 10/5/2017; 10/30/2017; 11/3/2017, 11/6/2017; 11/14/2017.

LCAP data analysis, outcome analysis and performance analysis were conducted. Administration concurred with maintaining current actions, but reducing the opportunity programs. Administration also communicated the need for a special education resource teacher to close the academic achievement gap in SBAC English and mathematics. Additional added actions include a mathematics teacher at CCHS for class size reduction; an additional music teacher at CCHS and RFK for students to have access to a broad course of study; extending the teacher duty so that teachers are available after school to help students and meet with parents; and the addition of an intervention counselor at each comprehensive to reduce bullying, suspensions and expulsions.

### Teachers:

LCAP stakeholder meetings were held on 11/29/17, 2/14/2018, 2/28/2018, 3/14/2018.

LCAP data analysis, outcome analysis, and performance analysis was conducted with certificated staff at each high school. Teacher stakeholder meetings were held at each comprehensive school site. All teachers were invited to attend. The teacher stakeholder groups recommended some repairs at the school sites, digital research resource, support groups for students at the continuation high school, and improve the parent communication system for teacher use.

### Other Staff:

Stakeholder meetings were held with district staff that included counselors, psychologist, nurses and classified staff from each high school on 10/19/2017; 10/24/2017; 11/29/2017; 12/8/2017; 2/14/2018; 2/28/18; 3/14/2018.

LCAP data analysis, outcome analysis, and performance analysis was conducted to evaluate areas of need, current services and recommend any new actions. The site CSEA union representatives was present at each of these meetings. Classified staff noted

areas of needed repair at each site as well as increasing student activities at Valley High School so that students feel connected to school. The classified staff also noted need for working technology in the Career Center.

#### Student Groups:

Student stakeholder meeting were held at each high school on 12/8/2017; 2/13/2018; 2/14/2018; 2/28/2018.

LCAP data analysis, outcome analysis, and performance analysis was conducted to evaluate areas of need, current services and recommend any new actions. Students concurred with current actions in the LCAP. They recommended improving student sense of safety by making school access more secure. The DJHSD has added in the LCAP resources to increase student sense of safety. Additionally, student stakeholders recommended areas of needed repair at their respective school sites.

#### Parent Meetings and Advisories:

LCAP stakeholder meetings were held at the district level as well as at each school site on 8/29/17; 9/5/17; 9/6/17; 9/14/17; 11/6/2017; 11/7/2017; 1/25/2018; 6/5/2018.

LCAP parent meetings were held at each school site in September and October. Data and outcomes were reviewed and parents were given the opportunity to make any recommendations for new actions. Parents are very pleased with the overall performance of our schools. District level parent advisories were held with our DELAC, Title I and Special Education Parent Advisories. All actions were reviewed and approved by our parent advisories. Parents recommended some minor repairs at their respective schools; the inclusion of resources to pay for students ACT and SAT fees; measures to decrease access to schools during school hours; and the need for new band shoes at DHS. The superintendent responded in writing to parent recommendations.

#### Teachers Association:

LCAP consultation with the Teachers Association were held on 5/11/2018.

LCAP data analysis, outcome analysis, and performance analysis was conducted to evaluate areas of need, current services and recommend any new actions. The teachers' union was consulted on present actions and proposed changes as well as additional new actions added to the LCAP. The teachers union concurred with the current actions and were consulted on the new proposed actions. The district reviewed all new proposed actions for the LCAP as well as the reduction in the number of opportunity teachers. The new proposed actions included extending teacher day so that teachers may be available for students and parents after school; a class size reduction mathematics teacher for Cesar E. Chavez High School; a music teacher for Delano High School and Robert F. Kennedy High School for access to a broad course of study (choir and band); the addition of resource teacher in special education to close the academic achievement gap in mathematics in English and mathematics; an intervention counselor at each comprehensive school site to reduce suspensions and expulsions; and the addition of resources for equipment and repairs to increase student and teacher sense of safety.

#### California School Employees Association:

LCAP consultation was conducted with CSEA on 5/15/18.

LCAP data analysis, outcome analysis, and performance analysis was conducted to evaluate areas of need, current services and recommend any new actions. CSEA agreed with the proposed actions for 2018-19 and commented that LCAP has been of great

benefit to our schools and students. CSEA recommended the use of canine detection service to help reduce suspensions and expulsions.

#### Public Forum:

LCAP public forums were held on 2/13/2018; 3/13/2018; 4/10/2018; 5/8/2018; 5/15/2018.

LCAP public forums were held at the Board meetings in February, March, April, and May. All schools and district presented data, outcomes and sought input for new actions. DJUHSD also held a public forum at the Delano High School Campus on May 15, 2018. This public forum was advertised in Delano Now, the school marquees, and parents were invited to attend. All actions presented were to the approval of attendees. No written comments to our Superintendent were submitted.

#### Public Board Hearing

The governing board held public hearings for recommendations and comments from members of the public regarding the specific actions and expenditures on 4/20/2018 and 6/12/2018.

#### Adoption of LCAP

Public Board meeting 6/19/2018.

#### LCAP to County Office of Education for Approval

June 22, 2018

## Impact on LCAP and Annual Update

How did these consultations impact the LCAP for the upcoming year?

These consultations served as a basis to refine, modify or create new actions. As a result of the consultation with our stakeholder groups, we included some additional actions in this year's LCAP. The district proposed, based on consultation with site administration on the effectiveness of the action, to reduce the number of opportunity teachers in our district. The new proposed actions included extending teacher day so that teachers may be available for students and parents after school; a class size reduction mathematics teacher for Cesar E. Chavez High School; a music teacher for Delano High School and Robert F. Kennedy High School for access to a broad course of study (choir and band); the addition of resource teacher in special education to close the academic achievement gap in English and mathematics; an intervention counselor at each comprehensive school site to reduce suspensions and expulsions; the addition of resources for equipment and repairs to increase student and teacher sense of safety; the addition of a canine detection service to reduce the suspension rate and increase student sense of safety; and the inclusion of a welding and health pathway teacher at RFK and DHS to increase career readiness for the English Learner, low socio-economic, and students with

disabilities subgroups. Based on the evaluation of data of state and local indicators, all other actions have demonstrated to be effective in accomplishing our targets and student outcomes.

Modified Goal

## Goal 1

Provide a high quality education to improve academic performance and college and career readiness as measured by state indicators for all learners, including English learners and foster youth, in all core academic content areas.

### State and/or Local Priorities addressed by this goal:

State Priorities:     Priority 1: Basic (Conditions of Learning)  
                             Priority 2: State Standards (Conditions of Learning)  
                             Priority 4: Pupil Achievement (Pupil Outcomes)

Local Priorities:

### Identified Need:

There is an academic achievement gap in English and mathematics between all learners and the English Learner and Students with Disabilities subgroups as evidenced by this year's baseline data. In regards to the College and Career Readiness Indicator (CCI), there is a completion gap among the English Learner and Students with Disabilities subgroup as well. The reclassification rate for English proficiency with English Learners declined 12.3%. AP passing rates decreased 1.3% districtwide. An additional area of identified need is to implement academic content and performance standards in courses provided to students with significant cognitive disabilities. Our district has been able to better retain core subject teachers, thus producing high academic attainment as noted by California Dashboard results. DJUHSD intends to continue providing the support needed to meet or exceed the performance outcomes. All services and actions are principally directed to increase or improve services for our unduplicated pupil population. Delano Joint Union High School District has an unduplicated pupil population of 93.3%. Individually, each of our high schools has an unduplicated pupil population of 89% at Cesar E. Chavez High School; 94.8% at Delano High School; 96.3% at Robert F. Kennedy High School; and 91.7% at Valley High School.

(Select from New Goal, Modified Goal, or Unchanged Goal)

Unchanged Goal

## Goal 2

Improve career readiness and maximize performance in foreign language, physical education, visual performing arts, and Career Technical Education.

### State and/or Local Priorities addressed by this goal:

State Priorities:     Priority 7: Course Access (Conditions of Learning)  
                             Priority 8: Other Pupil Outcomes (Pupil Outcomes)

Local Priorities:

### Identified Need:

DJUHSD has identified the need for pupils to have access to a broad course of study at all comprehensive high schools and close the gap between CTE completers and UC a-g completers among English Learners and students with disabilities. Additionally, DJUHSD goal is to continue performing in the top 25% in Visual Performing Arts, Mock Trial, Academic Decathlon, and improve the Physical Fitness test results. Our goal is also to improve AP Foreign Language passing rate and increase the number of students attaining the Biliteracy Seal.

# Demonstration of Increased or Improved Services for Unduplicated Pupils

LCAP Year: **2018-19**

Estimated Supplemental and Concentration Grant Funds

\$13,685,360

Percentage to Increase or Improve Services

36.61%

Describe how services provided for unduplicated pupils are increased or improved by at least the percentage identified above, either qualitatively or quantitatively, as compared to services provided for all students in the LCAP year.

Identify each action/service being funded and provided on a schoolwide or LEA-wide basis. Include the required descriptions supporting each schoolwide or LEA-wide use of funds (see instructions).

Delano Joint Union High School District has principally directed the Supplemental and Concentration grant funds to our unduplicated students. The district will expend the funds LEA wide to provide interventions, increased UC a-g and CTE opportunities, support services and staff, evidence-based professional development, reduced class size, work-based learning experiences, a safe school environment, and stakeholder engagement. Field trips and other educational activities will be utilized to supplement instruction and learning for the unduplicated pupil count. We will continue to purchase supplementary materials and equipment as well as foster and celebrate student success. In addition, we will ensure all students are provided with standards aligned instructional materials as well as technology needed to promote learning. The DJUHSD has demonstrated success on the academic indicator. Our district will continue to provide teachers with additional time to review data, collaborate with their cohort group, and modify and refine curriculum, assessments, and instruction. The DJUHSD will continue to provide mentors for new teachers and teachers eligible for the Induction Program in order to maintain high quality instruction. To improve services and not hinder student learning of our unduplicated student population, the DJUHSD will continue to maintain the increased competitive teacher salaries to retain appropriately qualified teachers. Many of our school buildings are aged and are in need of repair. Thus, we have allocated funds to ensure our facilities are in good repair. Transportation for college and career readiness supplementary instruction and interventions will be provided to ensure student attainment of outcomes. The District goal is to provide opportunities for college and career readiness. As a result, the DJUHSD has allocated resources for North Kern Vocational courses, dual enrollment, and access to broad course of study for students at all DJUHSD schools. The unduplicated pupil count will continue to be provided with the added career pathway courses in home economics, industrial arts, and business. This year, we have increased the access to a broad course for the unduplicated pupil populations by adding a music, health and welding pathway teacher for DHS, RFK and CCHS. The CTE director will continue to coordinate and articulate academic and career courses for dual enrollment credit. Our district is committed to providing all of our students with a safe and supportive learning environment and has added an intervention counselor for each comprehensive school site. The district will also contract with a canine detection service to deter controlled substances on school grounds. To keep students

in school and improve graduation rates, we will continue to fund the academic intervention teachers at each comprehensive school site and two opportunity program teachers for the district. Additional staff time has been added to the teacher duty day and the classified staff work calendar has been adjusted so that staff is available for students and parents. Parent trainings and workshops on readiness for college and career readiness, prevention of suicide, and identification of bullying and reporting will be conducted throughout the year at each school site. Our parents have been instrumental in the decision making process and will be informed of school activities and the opportunity to participate in the decision-making process of the school and district. The DJUHSD is committed to ensuring student sense of safety and has allocated resources to provide students with a more secure environment. Thus, we will continue to maintain the school site registered nurses, psychologists, and discipline liaisons and have added intervention counselors to provide support services to improve school conditions for student learning. The district concluded this was the best use of funds.

Additional staff time will be added to improve areas in Priority 8 as well as providing alternatives in meeting Priority 5. To improve subgroup suspension and graduation rates, DJUHSD included in Goal 3 to provide an opportunity teacher at each school site. The district concluded this was the best use of funds.

# Addendum

*The Local Control and Accountability Plan (LCAP) and Annual Update Template documents and communicates local educational agencies' (LEAs) actions and expenditures to support student outcomes and overall performance. The LCAP is a three-year plan, which is reviewed and updated annually, as required. Charter schools may complete the LCAP to align with the term of the charter school's budget, typically one year, which is submitted to the school's authorizer. The LCAP and Annual Update Template must be completed by all LEAs each year.*

*For school districts, the LCAP must describe, for the school district and each school within the district, goals and specific actions to achieve those goals for all students and each student group identified by the Local Control Funding Formula (LCFF) (ethnic, socioeconomically disadvantaged, English learners, foster youth, pupils with disabilities, and homeless youth), for each of the state priorities and any locally identified priorities.*

*For county offices of education, the LCAP must describe, for each county office of education-operated school and program, goals and specific actions to achieve those goals for all students and each LCFF student group funded through the county office of education (students attending juvenile court schools, on probation or parole, or expelled under certain conditions) for each of the state priorities and any locally identified priorities. School districts and county offices of education may additionally coordinate and describe in their LCAPs services funded by a school district that are provided to students attending county-operated schools and programs, including special education programs.*

*If a county superintendent of schools has jurisdiction over a single school district, the county board of education and the governing board of the school district may adopt and file for review and approval a single LCAP consistent with the requirements in Education Code (EC) sections 52060, 52062, 52066, 52068, and 52070. The LCAP must clearly articulate to which entity's budget (school district or county superintendent of schools) all budgeted and actual expenditures are aligned.*

*Charter schools must describe goals and specific actions to achieve those goals for all students and each LCFF subgroup of students including students with disabilities and homeless youth, for each of the state priorities that apply for the grade levels served or the nature of the program operated by the charter school, and any locally identified priorities. For charter schools, the inclusion and description of goals for state priorities in the LCAP may be modified to meet the grade levels served and the nature of the programs provided, including modifications to reflect only the statutory requirements explicitly applicable to charter schools in the EC. Changes in LCAP goals and actions/services for charter schools that result from the annual update process do not necessarily constitute a material revision to the school's charter petition.*

## **Plan Summary**

The LCAP is intended to reflect an LEA's annual goals, actions, services and expenditures within a fixed three-year planning cycle. LEAs must include a plan summary for the LCAP each year. When developing the LCAP, enter the appropriate LCAP year, and address the prompts provided in these sections. When developing the LCAP in year 2 or year 3, enter the appropriate LCAP year and replace the previous summary information with information relevant to the current year LCAP. In this section, briefly address the prompts provided. These prompts are not limits. LEAs may include information regarding local program(s), community demographics, and the overall vision of the LEA. LEAs may also attach documents (e.g., the LCFF Evaluation Rubrics data reports) if desired and/or include charts illustrating goals, planned outcomes, actual outcomes, or related planned and actual expenditures.

An LEA may use an alternative format for the plan summary as long as it includes the information specified in each prompt and the budget summary table.

The reference to LCFF Evaluation Rubrics means the evaluation rubrics adopted by the State Board of Education under *EC* Section 52064.5.

## **Budget Summary**

The LEA must complete the LCAP Budget Summary table as follows:

- **Total LEA General Fund Budget Expenditures for the LCAP Year:** This amount is the LEA's total budgeted General Fund expenditures for the LCAP year. The LCAP year means the fiscal year for which an LCAP is adopted or updated by July 1. The General Fund is the main operating fund of the LEA and accounts for all activities not accounted for in another fund. All activities are reported in the General Fund unless there is a compelling reason to account for an activity in another fund. For further information please refer to the *California School Accounting Manual* (<http://www.cde.ca.gov/fq/ac/sa/>). (Note: For some charter schools that follow governmental fund accounting, this amount is the total budgeted expenditures in the Charter Schools Special Revenue Fund. For charter schools that follow the not-for-profit accounting model, this amount is total budgeted expenses, such as those budgeted in the Charter Schools Enterprise Fund.)
- **Total Funds Budgeted for Planned Actions/Services to Meet the Goals in the LCAP for the LCAP Year:** This amount is the total of the budgeted expenditures associated with

the actions/services included for the LCAP year from all sources of funds, as reflected in the LCAP. To the extent actions/services and/or expenditures are listed in the LCAP under more than one goal, the expenditures should be counted only once.

- **Description of any use(s) of the General Fund Budget Expenditures specified above for the LCAP year not included in the LCAP:** Briefly describe expenditures included in total General Fund Expenditures that are not included in the total funds budgeted for planned actions/services for the LCAP year. (Note: The total funds budgeted for planned actions/services may include funds other than general fund expenditures.)
- **Total Projected LCFF Revenues for LCAP Year:** This amount is the total amount of LCFF funding the LEA estimates it will receive pursuant to *EC* sections 42238.02 (for school districts and charter schools) and 2574 (for county offices of education), as implemented by *EC* sections 42238.03 and 2575 for the LCAP year respectively.

## Annual Update

The planned goals, expected outcomes, actions/services, and budgeted expenditures must be copied verbatim from the previous year's\* approved LCAP; in addition, list the state and/or local priorities addressed by the planned goals. Minor typographical errors may be corrected.

\* For example, for LCAP year 2017/18 of the 2017/18 – 2019/20 LCAP, review the goals in the 2016/17 LCAP. Moving forward, review the goals from the most recent LCAP year. For example, LCAP year 2020/21 will review goals from the 2019/20 LCAP year, which is the last year of the 2017/18 – 2019/20 LCAP.

## Annual Measurable Outcomes

For each goal in the prior year, identify and review the actual measurable outcomes as compared to the expected annual measurable outcomes identified in the prior year for the goal.

## Actions/Services

Identify the planned Actions/Services and the budgeted expenditures to implement these actions toward achieving the described goal. Identify the **actual** actions/services implemented to meet the described goal and the estimated actual annual expenditures to implement the actions/services. As applicable, identify any changes to the students or student groups served, or to the planned location of the actions/services provided.

## Analysis

Using actual annual measurable outcome data, including data from the LCFF Evaluation Rubrics, analyze whether the planned actions/services were effective in achieving the goal. Respond to the prompts as instructed.

- Describe the overall implementation of the actions/services to achieve the articulated goal. Include a discussion of relevant challenges and successes experienced with the implementation process.
- Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.
- Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures. Minor variances in expenditures or a dollar-for-dollar accounting is not required.
- Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the data provided

in the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

## Stakeholder Engagement

Meaningful engagement of parents, students, and other stakeholders, including those representing the student groups identified by LCFF, is critical to the development of the LCAP and the budget process. *EC* identifies the minimum consultation requirements for school districts and county offices of education as consulting with teachers, principals, administrators, other school personnel, local bargaining units of the school district, parents, and pupils in developing the LCAP. *EC* requires charter schools to consult with teachers, principals, administrators, other school personnel, parents, and pupils in developing the LCAP. In addition, *EC* Section 48985 specifies the requirements for the translation of notices, reports, statements, or records sent to a parent or guardian.

The LCAP should be shared with, and LEAs should request input from, school site-level advisory groups, as applicable (e.g., school site councils, English Learner Advisory Councils, student advisory groups, etc.), to facilitate alignment between school-site and district-level goals and actions. An LEA may incorporate or reference actions described in other plans that are being undertaken to meet specific goals.

**Instructions:** The stakeholder engagement process is an ongoing, annual process. The requirements for this section are the same for each year of a three-year LCAP. When developing the LCAP, enter the appropriate LCAP year, and describe the stakeholder engagement process used to develop the LCAP and Annual Update. When developing the LCAP in year 2 or year 3, enter the appropriate LCAP year and replace the previous stakeholder narrative(s) and describe the stakeholder engagement process used to develop the current year LCAP and Annual Update.

**School districts and county offices of education:** Describe the process used to consult with the Parent Advisory Committee, the English Learner Parent Advisory Committee, parents, students, school personnel, the LEA's local bargaining units, and the community to inform the development of the LCAP and the annual review and analysis for the indicated LCAP year.

**Charter schools:** Describe the process used to consult with teachers, principals, administrators, other school personnel, parents, and students to inform the development of the LCAP and the annual review and analysis for the indicated LCAP year.

Describe how the consultation process impacted the development of the LCAP and annual update for the indicated LCAP year, including the goals, actions, services, and expenditures.

## Goals, Actions, and Services

LEAs must include a description of the annual goals, for all students and each LCFF identified group of students, to be achieved for each state priority as applicable to type of LEA. An LEA may also include additional local priorities. This section shall also include a description of the specific planned actions an LEA will take to meet the identified goals, and a description of the expenditures required to implement the specific actions.

**School districts and county offices of education:** The LCAP is a three-year plan, which is reviewed and updated annually, as required.

**Charter schools:** The number of years addressed in the LCAP may align with the term of the charter schools budget, typically one year, which is submitted to the school's authorizer. If year 2 and/or year 3 is not applicable, charter schools must specify as such.

### **New, Modified, Unchanged**

As part of the LCAP development process, which includes the annual update and stakeholder engagement, indicate if the goal, identified need, related state and/or local priorities, and/or expected annual measurable outcomes for the current LCAP year or future LCAP years are modified or unchanged from the previous year's LCAP; or, specify if the goal is new.

### **Goal**

State the goal. LEAs may number the goals using the "Goal #" box for ease of reference. A goal is a broad statement that describes the desired result to which all actions/services are directed. A goal answers the question: What is the LEA seeking to achieve?

### **Related State and/or Local Priorities**

List the state and/or local priorities addressed by the goal. The LCAP must include goals that address each of the state priorities, as applicable to the type of LEA, and any additional local priorities; however, one goal may address multiple priorities. ([Link to State Priorities](#))

### **Identified Need**

Describe the needs that led to establishing the goal. The identified needs may be based on quantitative or qualitative information, including, but not limited to, results of the annual update process or performance data from the LCFF Evaluation Rubrics, as applicable.

### **Expected Annual Measurable Outcomes**

For each LCAP year, identify the metric(s) or indicator(s) that the LEA will use to track progress toward the expected outcomes. LEAs may identify metrics for specific student groups. Include in the baseline column the most recent data associated with this metric or indicator available at the time of adoption of the LCAP for the first year of the three-year plan. The most recent data associated with a metric or indicator includes data as reported in the annual update of the LCAP year immediately preceding the three-year plan, as applicable. The baseline data shall remain unchanged throughout the three-year LCAP. In the subsequent year columns, identify the progress to be made in each year of the three-year cycle of the LCAP. Consider how expected outcomes in any given year are related to the expected outcomes for subsequent years.

The metrics may be quantitative or qualitative, but at minimum an LEA must use the applicable required metrics for the related state priorities, in each LCAP year as applicable to the type of LEA. For the student engagement priority metrics, as applicable, LEAs must calculate the rates as described in the [LCAP Template Appendix, sections \(a\) through \(d\)](#).

### **Planned Actions/Services**

For each action/service, the LEA must complete either the section "For Actions/Services not included as contributing to meeting Increased or Improved Services Requirement" or the section "For Actions/Services included as contributing to meeting the Increased or Improved Services Requirement." The LEA shall not complete both sections for a single action.

### **For Actions/Services Not Contributing to Meeting the Increased or Improved Services Requirement**

#### **Students to be Served**

The "Students to be Served" box is to be completed for all actions/services except for those which are included by the LEA as contributing to meeting the requirement to increase or improve services for unduplicated students. Indicate in this box which students will benefit from the actions/services by entering "All", "Students with Disabilities", or "Specific Student

Group(s)". If "Specific Student Group(s)" is entered, identify the specific student group(s) as appropriate.

#### Location(s)

Identify the location where the action/services will be provided. If the services are provided to all schools within the LEA, the LEA must identify "All Schools". If the services are provided to specific schools within the LEA or specific grade spans only, the LEA must enter "Specific Schools" or "Specific Grade Spans". Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades K-5), as appropriate.

**Charter schools** operating more than one site, authorized within the same charter petition, may choose to distinguish between sites by entering "Specific Schools" and identifying the site(s) where the actions/services will be provided. For charter schools operating only one site, "All Schools" and "Specific Schools" may be synonymous and, therefore, either would be appropriate. Charter schools may use either term provided they are used in a consistent manner through the LCAP.

### **For Actions/Services Contributing to Meeting the Increased or Improved Services Requirement:**

#### Students to be Served

For any action/service contributing to the LEA's overall demonstration that it has increased or improved services for unduplicated students above what is provided to all students (see Demonstration of Increased or Improved Services for Unduplicated Students section, below), the LEA must identify the unduplicated student group(s) being served.

#### Scope of Service

For each action/service contributing to meeting the increased or improved services requirement, identify the scope of service by indicating "LEA-wide", "Schoolwide", or "Limited to Unduplicated Student Group(s)". The LEA must identify one of the following three options:

- If the action/service is being funded and provided to upgrade the entire educational program of the LEA, enter "LEA-wide."
- If the action/service is being funded and provided to upgrade the entire educational program of a particular school or schools, enter "schoolwide".
- If the action/service being funded and provided is limited to the unduplicated students identified in "Students to be Served", enter "Limited to Unduplicated Student Group(s)".

**For charter schools and single-school school districts**, "LEA-wide" and "Schoolwide" may be synonymous and, therefore, either would be appropriate. For charter schools operating multiple schools (determined by a unique CDS code) under a single charter, use "LEA-wide" to refer to all schools under the charter and use "Schoolwide" to refer to a single school authorized within the same charter petition. Charter schools operating a single school may use "LEA-wide" or "Schoolwide" provided these terms are used in a consistent manner through the LCAP.

#### Location(s)

Identify the location where the action/services will be provided. If the services are provided to all schools within the LEA, the LEA must indicate "All Schools". If the services are provided to specific schools within the LEA or specific grade spans only, the LEA must enter "Specific Schools" or "Specific Grade Spans". Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades K-5), as appropriate.

**Charter schools** operating more than one site, authorized within the same charter petition, may choose to distinguish between sites by entering “Specific Schools” and identify the site(s) where the actions/services will be provided. For charter schools operating only one site, “All Schools” and “Specific Schools” may be synonymous and, therefore, either would be appropriate. Charter schools may use either term provided they are used in a consistent manner through the LCAP.

## **Actions/Services**

For each LCAP year, identify the actions to be performed and services provided to meet the described goal. Actions and services that are implemented to achieve the identified goal may be grouped together. LEAs may number the action/service using the “Action #” box for ease of reference.

### **New/Modified/Unchanged:**

- Enter “New Action” if the action/service is being added in any of the three years of the LCAP to meet the articulated goal.
- Enter “Modified Action” if the action/service was included to meet an articulated goal and has been changed or modified in any way from the prior year description.
- Enter “Unchanged Action” if the action/service was included to meet an articulated goal and has not been changed or modified in any way from the prior year description.
  - If a planned action/service is anticipated to remain unchanged for the duration of the plan, an LEA may enter “Unchanged Action” and leave the subsequent year columns blank rather than having to copy/paste the action/service into the subsequent year columns. Budgeted expenditures may be treated in the same way as applicable.

**Note:** The goal from the prior year may or may not be included in the current three-year LCAP. For example, when developing year 1 of the LCAP, the goals articulated in year 3 of the preceding three-year LCAP will be from the prior year.

**Charter schools** may complete the LCAP to align with the term of the charter school’s budget that is submitted to the school’s authorizer. Accordingly, a charter school submitting a one-year budget to its authorizer may choose not to complete the year 2 and year 3 portions of the “Goals, Actions, and Services” section of the template. If year 2 and/or year 3 is not applicable, charter schools must specify as such.

## **Budgeted Expenditures**

For each action/service, list and describe budgeted expenditures for each school year to implement these actions, including where those expenditures can be found in the LEA’s budget. The LEA must reference all fund sources for each proposed expenditure. Expenditures must be classified using the California School Accounting Manual as required by *EC* sections 52061, 52067, and 47606.5.

Expenditures that are included more than once in an LCAP must be indicated as a duplicated expenditure and include a reference to the goal and action/service where the expenditure first appears in the LCAP.

If a county superintendent of schools has jurisdiction over a single school district, and chooses to complete a single LCAP, the LCAP must clearly articulate to which entity’s budget (school district or county superintendent of schools) all budgeted expenditures are aligned.

## Demonstration of Increased or Improved Services for Unduplicated Students

This section must be completed for each LCAP year. When developing the LCAP in year 2 or year 3, copy the “Demonstration of Increased or Improved Services for Unduplicated Students” table and enter the appropriate LCAP year. Using the copy of the section, complete the section as required for the current year LCAP. Retain all prior year sections for each of the three years within the LCAP.

### Estimated Supplemental and Concentration Grant Funds

Identify the amount of funds in the LCAP year calculated on the basis of the number and concentration of low income, foster youth, and English learner students as determined pursuant to *California Code of Regulations*, Title 5 (5 CCR) Section 15496(a)(5).

### Percentage to Increase or Improve Services

Identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year as calculated pursuant to 5 CCR Section 15496(a)(7).

Consistent with the requirements of 5 CCR Section 15496, describe how services provided for unduplicated pupils are increased or improved by at least the percentage calculated as compared to services provided for all students in the LCAP year. To improve services means to grow services in quality and to increase services means to grow services in quantity. This description must address how the action(s)/service(s) limited for one or more unduplicated student group(s), and any schoolwide or districtwide action(s)/service(s) supported by the appropriate description, taken together, result in the required proportional increase or improvement in services for unduplicated pupils.

If the overall increased or improved services include any actions/services being funded and provided on a schoolwide or districtwide basis, identify each action/service and include the required descriptions supporting each action/service as follows.

For those services being provided on an LEA-wide basis:

- For school districts with an unduplicated pupil percentage of 55% or more, and for charter schools and county offices of education: Describe how these services are **principally directed to** and **effective in** meeting its goals for unduplicated pupils in the state and any local priorities.
- For school districts with an unduplicated pupil percentage of less than 55%: Describe how these services are **principally directed to** and **effective in** meeting its goals for unduplicated pupils in the state and any local priorities. Also describe how the services are **the most effective use of the funds to** meet these goals for its unduplicated pupils. Provide the basis for this determination, including any alternatives considered, supporting research, experience or educational theory.

For school districts only, identify in the description those services being funded and provided on a schoolwide basis, and include the required description supporting the use of the funds on a schoolwide basis:

- For schools with 40% or more enrollment of unduplicated pupils: Describe how these services are **principally directed to** and **effective in** meeting its goals for its unduplicated pupils in the state and any local priorities.

- For school districts expending funds on a schoolwide basis at a school with less than 40% enrollment of unduplicated pupils: Describe how these services are **principally directed to** and how the services are **the most effective use of the funds to** meet its goals for English learners, low income students and foster youth, in the state and any local priorities.

# State Priorities

**Priority 1: Basic Services** addresses the degree to which:

- A. Teachers in the LEA are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- B. Pupils in the school district have sufficient access to the standards-aligned instructional materials; and
- C. School facilities are maintained in good repair.

**Priority 2: Implementation of State Standards** addresses:

- A. The implementation of state board adopted academic content and performance standards for all students, which are:
  - a. English Language Arts – Common Core State Standards (CCSS) for English Language Arts
  - b. Mathematics – CCSS for Mathematics
  - c. English Language Development (ELD)
  - d. Career Technical Education
  - e. Health Education Content Standards
  - f. History-Social Science
  - g. Model School Library Standards
  - h. Physical Education Model Content Standards
  - i. Next Generation Science Standards
  - j. Visual and Performing Arts
  - k. World Language; and
- B. How the programs and services will enable English learners to access the CCSS and the ELD standards for purposes of gaining academic content knowledge and English language proficiency.

**Priority 3: Parental Involvement** addresses:

- A. The efforts the school district makes to seek parent input in making decisions for the school district and each individual school site;
- B. How the school district will promote parental participation in programs for unduplicated pupils; and
- C. How the school district will promote parental participation in programs for individuals with exceptional needs.

**Priority 4: Pupil Achievement** as measured by all of the following, as applicable:

- A. Statewide assessments;
- B. The Academic Performance Index;
- C. The percentage of pupils who have successfully completed courses that satisfy University of California (UC) or California State University (CSU) entrance requirements, or programs of study that align with state board approved career technical educational standards and framework;
- D. The percentage of English learner pupils who make progress toward English proficiency as measured by the California English Language Development Test (CELDT);
- E. The English learner reclassification rate;
- F. The percentage of pupils who have passed an advanced placement examination with a score of 3 or higher; and
- G. The percentage of pupils who participate in, and demonstrate college preparedness pursuant to, the Early Assessment Program, or any subsequent assessment of college preparedness.

**Priority 5: Pupil Engagement** as measured by all of the following, as applicable:

- A. School attendance rates;
- B. Chronic absenteeism rates;
- C. Middle school dropout rates;
- D. High school dropout rates; and
- E. High school graduation rates;

**Priority 6: School Climate** as measured by all of the following, as applicable:

- A. Pupil suspension rates;
- B. Pupil expulsion rates; and
- C. Other local measures, including surveys of pupils, parents, and teachers on the sense of safety and school connectedness.

**Priority 7: Course Access** addresses the extent to which pupils have access to and are enrolled in:

- A. S broad course of study including courses described under *EC* sections 51210 and 51220(a)-(i), as applicable;
- B. Programs and services developed and provided to unduplicated pupils; and
- C. Programs and services developed and provided to individuals with exceptional needs.

**Priority 8: Pupil Outcomes** addresses pupil outcomes, if available, for courses described under *EC* sections 51210 and 51220(a)-(i), as applicable.

**Priority 9: Coordination of Instruction of Expelled Pupils (COE Only)** addresses how the county superintendent of schools will coordinate instruction of expelled pupils.

**Priority 10. Coordination of Services for Foster Youth (COE Only)** addresses how the county superintendent of schools will coordinate services for foster children, including:

- A. Working with the county child welfare agency to minimize changes in school placement
- B. Providing education-related information to the county child welfare agency to assist in the delivery of services to foster children, including educational status and progress information that is required to be included in court reports;
- C. Responding to requests from the juvenile court for information and working with the juvenile court to ensure the delivery and coordination of necessary educational services; and
- D. Establishing a mechanism for the efficient expeditious transfer of health and education records and the health and education passport.

**Local Priorities** address:

- A. Local priority goals; and
- B. Methods for measuring progress toward local goals.

# APPENDIX A: PRIORITIES 5 AND 6 RATE CALCULATION INSTRUCTIONS

For the purposes of completing the LCAP in reference to the state priorities under *EC* sections 52060 and 52066, as applicable to type of LEA, the following shall apply:

- (a) “Chronic absenteeism rate” shall be calculated as follows:
  - (1) The number of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30) who are chronically absent where “chronic absentee” means a pupil who is absent 10 percent or more of the schooldays in the school year when the total number of days a pupil is absent is divided by the total number of days the pupil is enrolled and school was actually taught in the total number of days the pupil is enrolled and school was actually taught in the regular day schools of the district, exclusive of Saturdays and Sundays.
  - (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
  - (3) Divide (1) by (2).
- (b) “Middle School dropout rate” shall be calculated as set forth in 5 *CCR* Section 1039.1.
- (c) “High school dropout rate” shall be calculated as follows:
  - (1) The number of cohort members who dropout by the end of year 4 in the cohort where “cohort” is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.
  - (2) The total number of cohort members.
  - (3) Divide (1) by (2).
- (d) “High school graduation rate” shall be calculated as follows:
  - (1) The number of cohort members who earned a regular high school diploma [or earned an adult education high school diploma or passed the California High School Proficiency Exam] by the end of year 4 in the cohort where “cohort” is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.
  - (2) The total number of cohort members.
  - (3) Divide (1) by (2).
- (e) “Suspension rate” shall be calculated as follows:
  - (1) The unduplicated count of pupils involved in one or more incidents for which the pupil was suspended during the academic year (July 1 – June 30).
  - (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
  - (3) Divide (1) by (2).
- (f) “Expulsion rate” shall be calculated as follows:
  - (1) The unduplicated count of pupils involved in one or more incidents for which the pupil was expelled during the academic year (July 1 – June 30).
  - (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
  - (3) Divide (1) by (2).

# APPENDIX B: GUIDING QUESTIONS

## Guiding Questions: Annual Review and Analysis

- 1) How have the actions/services addressed the needs of all pupils and did the provisions of those services result in the desired outcomes?
- 2) How have the actions/services addressed the needs of all subgroups of pupils identified pursuant to *EC* Section 52052, including, but not limited to, English learners, low-income pupils, and foster youth; and did the provision of those actions/services result in the desired outcomes?
- 3) How have the actions/services addressed the identified needs and goals of specific school sites and were these actions/services effective in achieving the desired outcomes?
- 4) What information (e.g., quantitative and qualitative data/metrics) was examined to review progress toward goals in the annual update?
- 5) What progress has been achieved toward the goal and expected measurable outcome(s)? How effective were the actions and services in making progress toward the goal? What changes to goals, actions, services, and expenditures are being made in the LCAP as a result of the review of progress and assessment of the effectiveness of the actions and services?
- 6) What differences are there between budgeted expenditures and estimated actual annual expenditures? What were the reasons for any differences?

## Guiding Questions: Stakeholder Engagement

- 1) How have applicable stakeholders (e.g., parents and pupils, including parents of unduplicated pupils and unduplicated pupils identified in *EC* Section 42238.01; community members; local bargaining units; LEA personnel; county child welfare agencies; county office of education foster youth services programs, court-appointed special advocates, and other foster youth stakeholders; community organizations representing English learners; and others as appropriate) been engaged and involved in developing, reviewing, and supporting implementation of the LCAP?
- 2) How have stakeholders been included in the LEA's process in a timely manner to allow for engagement in the development of the LCAP?
- 3) What information (e.g., quantitative and qualitative data/metrics) was made available to stakeholders related to the state priorities and used by the LEA to inform the LCAP goal setting process? How was the information made available?
- 4) What changes, if any, were made in the LCAP prior to adoption as a result of written comments or other feedback received by the LEA through any of the LEA's engagement processes?
- 5) What specific actions were taken to meet statutory requirements for stakeholder engagement pursuant to *EC* sections 52062, 52068, or 47606.5, as applicable, including engagement with representatives of parents and guardians of pupils identified in *EC* Section 42238.01?
- 6) What specific actions were taken to consult with pupils to meet the requirements 5 *CCR* Section 15495(a)?

- 7) How has stakeholder involvement been continued and supported? How has the involvement of these stakeholders supported improved outcomes for pupils, including unduplicated pupils, related to the state priorities?

## **Guiding Questions: Goals, Actions, and Services**

- 1) What are the LEA's goal(s) to address state priorities related to "Conditions of Learning": Basic Services (Priority 1), the Implementation of State Standards (Priority 2), and Course Access (Priority 7)?
- 2) What are the LEA's goal(s) to address state priorities related to "Pupil Outcomes": Pupil Achievement (Priority 4), Pupil Outcomes (Priority 8), Coordination of Instruction of Expelled Pupils (Priority 9 – COE Only), and Coordination of Services for Foster Youth (Priority 10 – COE Only)?
- 3) What are the LEA's goal(s) to address state priorities related to parent and pupil "Engagement": Parental Involvement (Priority 3), Pupil Engagement (Priority 5), and School Climate (Priority 6)?
- 4) What are the LEA's goal(s) to address any locally-identified priorities?
- 5) How have the unique needs of individual school sites been evaluated to inform the development of meaningful district and/or individual school site goals (e.g., input from site level advisory groups, staff, parents, community, pupils; review of school level plans; in-depth school level data analysis, etc.)?
- 6) What are the unique goals for unduplicated pupils as defined in *EC* Section 42238.01 and groups as defined in *EC* Section 52052 that are different from the LEA's goals for all pupils?
- 7) What are the specific expected measurable outcomes associated with each of the goals annually and over the term of the LCAP?
- 8) What information (e.g., quantitative and qualitative data/metrics) was considered/reviewed to develop goals to address each state or local priority?
- 9) What information was considered/reviewed for individual school sites?
- 10) What information was considered/reviewed for subgroups identified in *EC* Section 52052?
- 11) What actions/services will be provided to all pupils, to subgroups of pupils identified pursuant to *EC* Section 52052, to specific school sites, to English learners, to low-income pupils, and/or to foster youth to achieve goals identified in the LCAP?
- 12) How do these actions/services link to identified goals and expected measurable outcomes?
- 13) What expenditures support changes to actions/services as a result of the goal identified? Where can these expenditures be found in the LEA's budget?

*Prepared by the California Department of Education, October 2016*
