

VIRTUAL CAREER AWARENESS EVENT

In celebration of National Career Technical Education Month

FEBRUARY 1-28, 2021

Have a career in mind? Wondering how to get there? Check out our **new online interactive experience** during the month of February to explore different careers and see which companies in the Kern County region offer them. This experience is designed especially for middle and high school students and their parents.

- Watch career videos
- Take career quizzes
- Find local companies in your field of interest
- Easily reach out to companies for more info

To keep up with the latest on career education in Kern County, follow us at:
